

# Helping hedgehogs

If you're interested in finding out what you can do to help join us for short presentation and discussion on

Thursday 15 September  
7.30pm-8.30pm  
Yew Tree Hall, Lorton

Working closely with local vets and rescue centres, Melbreak Wildlife Group would like to set up a small group to help support, foster, rehabilitate and release hedgehogs back into the wild across the local area.

Simply turn up on the night, admission is FREE. For further information contact: [tanyaestp@gmail.com](mailto:tanyaestp@gmail.com).

In the meantime, if you find an injured hedgehog please take it to your local vets or rescue centre, who will be able to provide the most appropriate and immediate care that it may need.
