

Proud supporter of

Basic First Aid, Care & Rehabilitation of Hedgehogs (1 day course)

Saturday 11 May 2024: 9am-5pm

This is a one-day course aimed at hedgehog carers, rescue centre staff, volunteers, vets and vet nurses. The course provides valuable information about hedgehogs and the rehabilitation process.

The course fee covers the course, full colour course book, certificate of completion & tea/coffee/squash throughout the day. Please bring a packed lunch. This is an in-person course with some practical activity.

Location: Gosling Sike, Cumbria Wildlife Trust's Northern, Houghton, Carlisle, CA3 0LD.

Cost: £80

Course delivered by: Vale Wildlife Hospital & Rehabilitation Centre (Gloucestershire)

To book and pay: Please email info@valewildlife.org.uk or phone: 01386 882288

This course has been arranged by Tanya St. Pierre, Melbreak Hedgehog Carers/ Melbreak Wildlife Group. If you have any questions about the course please contact Vale Wildlife Hospital directly.
