

FEEDBACK FORM

1. Are you supportive of redevelopment of the hall to ensure it continues to provide a valuable, useable asset for the local community?
2. Of the four on display, do you have a preferred option?
3. What is your preference?
 - A. No extension (with improved access, limited storage and no additional meeting room) *Option A*
 - B. Single storey extension *Option B*
 - C. Double storey extension *Option C & D*
4. Do you have a preference in terms of access arrangements?
 - A. Steps and ramp
 - B. Steps and lift
5. Do you support moving the main access to the gable end of the Hall to make it safer, rather than the existing arrangement straight off the road?
6. Meeting space in the Supper Room will be smaller in all the options. Do you think that an additional separate small meeting space on the first floor should be provided?
7. Is there anything missing that you feel should be included in the plans? Elements such as heating, improvements to acoustics and decoration will be included, as a matter of course, in the next stage.

The elements within each option are interchangeable to some extent, so please use the reverse side of this form to tell us what you like or don't like about individual options.
